Hands on learning experience, skill development, interaction with Experts, networking, opportunities, exposure to diverse cases. Exposure to latest technologies and Innovations in minimal access surgery, CME credits, global perspective

On behalf of the Association of Minimal Access Surgeons of India, it is our great pleasure to welcome you to Hyderabad, Telangana, India. We have invited eminent International and National faculty with expertise in the field of minimal access surgery.

This conference promises to be an invaluable platform for us to learn from each other's experiences and innovations in the ever-evolving field of minimal access surgery. As we come together, let us foster collaborations, share groundbreaking research, and work towards advancing the standards of patient care through minimal access techniques.
