Dear Sir/Madame

We are delighted to extend a warm welcome to you for the upcoming AMASICON 2024 being held at shilparamam from August 15th to 19th ,2024 dedicated to Minimal Access Surgery with International and National faculty and delegates. This conference promises to be a groundbreaking event, bringing together leaders, innovators, and experts in the field of minimally invasive procedures.

As a valued participant in the world of trade exhibitions, your presence at this conference adds tremendous value to the exchange of ideas and innovations within the surgical community. We believe that your unique perspective and contributions will enrich the discussions and collaborations that will take place during the event.

Date: August 15th to 18th 2024

Location: Shilparamam

Key Highlights:

Engage with renowned speakers and thought leaders in minimal access surgery.

Explore cutting-edge technologies and advancements in the field.

Network with fellow professionals and potential collaborators.

Showcase your products/services to a targeted audience.

We look forward to your participation and the opportunity to share insights, foster collaborations, and

collectively advance the field of minimal access surgery.

Thank you for your consideration, and we eagerly anticipate your presence at AMASICON 2024

Sincerely,

Dr.Jagdishwar Goud Gajagowni

Organising Secretary

# WHY ATTEND

**Skill Enhancement:** AMASICON 2024 provides hands-on training and practical to enhance your skills in minimal access surgery techniques.

**Learning New Techniques:** AMASICON 2024 features experts and pioneers in the field who share their knowledge and demonstrate new techniques. Surgeons can learn innovative approaches that can improve patient outcomes and reduce recovery times.

**Networking Opportunities:** AMASICON 2024 bring together surgeons, researchers, and professionals in the field of minimal access surgery. Networking with peers and experts can lead to valuable collaborations, sharing of experiences, and the exchange of best practices.

**Continuing Medical Education (CME) Credits:** AMASICON 2024 offers CME credits, which are essential for maintaining professional certifications and licenses

**Problem-solving and Case Discussions:** AMASICON 2024 includes case discussions and problem-solving sessions where surgeons can share their challenging cases and seek input from experts. This collaborative approach can lead to improved decision-making in complex surgical scenarios.

**Quality Improvement Initiatives:** By participating in AMASICON 2024, surgeons can gain insights into quality improvement initiatives and best practices.

- **Updates on Technology and Equipment:** AMASICON 2024 showcases advanced technologies and specialized equipment. ensuring they stay current in their practice
